

2021 RAIN BARREL ORDER FORM

Ashtabula S.W.C.D.
39 Wall Street, Jefferson, Ohio 44047
(440) 576-4946

In partnership with the Geneva Sustainability and Shade Tree Commissions and Covered Bridge Festival, the Ashtabula Soil and Water Conservation District is offering a two-part rain barrel workshop to the public.

Due to COVID restrictions, the first part of the workshop consists of a drive through rain barrel pick up at Geneva Materials, 7050 N Ridge Rd East (Route 20), Geneva OH 44041, on Friday April 30 from 8 AM to 5 PM and Saturday May 1 from 10 AM to Noon. **MARK YOUR CALENDARS** as there will be no notification sent to remind you of the pick-up date and time.

On Wednesday, May 5th at 7 PM, we will have a virtual workshop featuring how to install the barrel, care and maintenance, and the benefits a rain barrel gives to you and the environment. No way to watch a webinar? No problem! Let us know and we will provide an instructional brochure at the time of pick-up.

All rain barrel orders must be received by 4:30 PM on Monday April 19th, 2021. Payment must accompany your order. At this time, we only accept cash or check.

Call Suzanne at 440-576-4946 with any questions.
 Make checks payable to **ASHTABULA SWCD.**
