The background of the top half of the flyer is a photograph of a pond. The pond is surrounded by lush green trees and vegetation. In the foreground, there are large, green, heart-shaped leaves of aquatic plants, possibly water hyacinths, floating on the water. The sky is blue with a few white clouds, and their reflection is visible in the calm water of the pond.

Twilight Pond Clinic

Monday, August 27, 2018

6:00 to 8:00 p.m.

Join OSU Extension and the Ashtabula Soil & Water Conservation District to learn how to better manage your pond. Learn more about pond weed identification & control, dry hydrants, potable pond rules and controlling nuisance wildlife.
